Dear valued customer;

Hercules Sealing Products Canada is pleased to announce that **Wriason Seals Ltd.** will represent the Hercules product lines of seals, seal kits & and hydraulic cylinders as a master distributor for the province of British Columbia effective May 19, 2009.

Wriason Seals is an established Vancouver-based seal company that has served the BC market for over 30 years! With the addition of sealing product specialist, Mike Suttis, their sales team has over 100 years of combined experience in seals and related products.

In addition to their experience and expertise, Wriason can now offer you the full line of Hercules sealing products and hydraulic cylinders. These include a wide range of inch & metric hydraulic / pneumatic seals and related products as well as competitively-priced OEM quality generic seal kits for popular brands of mobile and industrial equipment.

Their extensive local inventory of seals and seal kits is supported by full on-site machining capabilities.

Wriason can also supply competitively-priced Hercules brand tie-rod and welded hydraulic cylinders as well as non-standard custom cylinders manufactured to your specifications.

For all your sealing and hydraulic cylinder requirements, contact the sales team at Wriason Seals @
